

PVC Cap Feeder

Utah's Hogle Zoo

Materials needed:

- (3) 2"+ PVC caps
- 1 I-bolt:
 - Diameter: 3/8"
 - Length: 11.5"
- 1 double-ended snap hook
- Treats (popcorn, raisins, produce, Jell-O, etc.)

Directions:

1. The PVC cap feeder is placed outside of the enclosure with the double-ended snap hook.
2. Caps are filled with treats to encourage foraging behavior.
