

The Gorilla SSP[®] Enrichment Database

Name of Item: PVC and Fire Hose

Submitted by: Zoo Atlanta

Items Needed:

1. PVC
2. Fire hose

Construction Directions:

1. Thread fire hose through PVC pipe. Tie the ends of the fire hose where it touches the PVC pipe if worried about movement.
2. Secure fire hose.

PVC can be purchased at a hardware store and the fire hose can either be purchased online or donated by a fire department.
