Name of Item: Plastic Coke Crates

Submitted by: Disney's Animal Kingdom

Items Needed:

1. Fire Hose
2. Clips
3. Plastic Coke Crate

Construction Directions:

1. Attach fire hose strip with clips.
2. Add fire hose to front to lessen item loss when fire hose is pulled and back of crate raises.
3. Attach front of crate to mesh with clips as well.
4. Fill with food or other items.

Coke crates can be found in grocery stores and firehose can be purchased online or donated from the fire department.
