

The Gorilla SSP[®] Enrichment Database

Name of Item: Turf Board

Submitted by: Zoo Atlanta

Items Needed:

1. Drill
2. Cutting Board or lexan
3. Astroturf
4. 8 nuts/locking nuts, 8 bolts, and 16 washers – choose size that will work best for your animals

Construction Directions:

1. Cut Astroturf to fit on cutting board.
2. Drill holes in Astroturf in the 4 corners and cutting boards and secure with nuts and bolts.
3. Cut off and grind down the ends of the bolts so that there are no sharp or raised ends if bolts are too long.
4. Hang on the outside of mesh.
