

The Gorilla SSP[®] Enrichment Database

Name of Item: Wind chimes

Submitted by: Zoo Atlanta

Items Needed:

1. PVC pipe of different diameters
2. 2 bolts, 2 nuts, 4 washers
3. Rope or fire hose

Construction Directions:

1. Wash and cut fire hose to desired length
2. Cut PVC pipe into different lengths
3. Drill holes across one end of each PVC pipe for the fire hose.
4. Thread the fire hose through the PVC pipes.
5. Attach the fire hose ends to any two locations (top of holding, shelves, etc.) using 1 bolt, 1 nut & 2 washers. Can hang as low or high as needed.

Supplies can be purchased from a hardware store.
