**Name of Item:** Liquid Light Projector

**Submitted by:** Zoo Atlanta

## Items Needed:

1. Liquid Light Projector (A *Liquid Light Projector* can be purchased at novelty stores. The device is great visual enrichment because it can be projected onto the walls of holding so that the animals can interact with it. I've seen touching, licking, chasing and even grooming when the light hits them.)

**Can be purchased from Amazon, Ebay, or novelty stores.**
